## Linea Console

assembly guide

## introduction

Before starting, please check all components and accessories according to the provided list. If you purchased more than one product, to prevent confusion, be sure that you completed the first product, then start the next one. Please make sure that you select correct numbered part and use specific connector to assemble. We do not recommend any modification or rotation in assembly. Please follow the manual carefully.

Furniture parts are going to several manufacturing procedures. During this process, parts can have little dust or marks. Please clean the parts with damp cloth before assembly to get the best result. Usual cleaning would be suffice.
