 A dashed line connects the label 'A' to the backrest, and another dashed line connects 'B' to the base. An arrow points to the connection point.	 A circular inset shows a close-up of the base with two bolts (C) being tightened by an Allen key (F). Labels D, E, and F point to the respective parts. Dashed lines connect the labels to the parts in the main diagram.	 A line drawing of the fully assembled unit, showing the backrest attached to the base.
