 A dashed line connects label A to the backrest, and another dashed line connects label B to the base. An arrow points to the connection point.	 A circular inset shows a close-up of the base with two bolts (C) being tightened by an Allen key (F). Labels D and E point to the bolts and the Allen key respectively. The base (B) is shown with four mounting holes.	 A line drawing of the fully assembled unit, showing the backrest (A) attached to the base (B).
