

Place the panels numbered 1 and 2 as shown in the illustration, making sure the orientation of the panels is as depicted. Install the plastic rails included in the package in the direction shown in the illustration and screw them in with the small screws.

Insert the plastic dowels into the holes marked with a circle in the illustration.

Position the pieces as shown in the illustration and connect them by attaching to the dowels. Then, screw in the large screws at the areas marked.

Product is ready to use.
